RE: Boxwood, Prince William County

Dear Ms. Lipford:

The purpose of this letter is to respond to your recent inquiry to the County Administrator of Prince William County concerning the above referenced property.

I have referred this matter to the Architectural Review Board (ARB), which reviews all potential National Register nominations for property within Prince William County. The ARB met and discussed this application at their meeting of September 25, 1996. The group determined that although it appeared this property was significant, a physical inspection of the property was necessary before final conclusions could be made. The ARB, together with members of the Historical Commission, are scheduled to tour the property in early November. A final review and recommendation will be made at the ARB's December meeting.

By copy of this letter, I am directing the ARB to notify your office of their conclusions. Thank you for the opportunity to be of assistance in this matter.

Sincerely,

Richard E. Lawson
Acting Director
