RE: Chinn Property

Dear Mr. Compton:

Mr. Thomas Nelson, Prince William Historical Commission, and Mr. James Ford, associate and member of the Northern Virginia Chapter of the Archaeological Society of Virginia, would like permission to survey the Chinn house and property during the next few months.

The purpose would be to record all pertinent information about the property before it's razed. All artifacts would be duly recorded and turned over to the Prince William Historical Commission. In addition to this primitive survey, photographs will be taken of the interior and exterior of the house.

We appreciate your cooperation in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Jane MacDonald".

Jane MacDonald, Chairman  
Prince William  
Historical Commission
