Dear Mrs. Embrey:

Your letter to Mr. Loth has been referred to me. The Connor House was declared eligible for nomination to the Virginia Register this past spring so we will be preparing a report on it. Since I am an historian here, I would greatly appreciate any documentation you have. It would be helpful to have copies of the documents from Mr. Naisawald for help in preparing the significance statement portion of the report. As you are probably aware, Miss Frances Jones, our regional surveyor in Manassas, will be working on the nomination and I will forward a copy of this letter to her.

Please do not hesitate to contact us should you have further questions. The documentation you wrote about will be most helpful in preparing the history on the house.

Sincerely,

Margaret T. Peters
