

Mr. Haynes drew it.

Freestone House was built
as the overseers house.

DAVIS WAS THERE
AFTER WIGGLESWORTH.

Mrs. Wigglesworth
a frame house, in good shape in 1940s.
plantation house burned 1800 or 1802.

Mr. Lee lived in Alex + owned the house.

Freestone house built 1st - where Henry Lee
lived before

burned in 1910. Caused by sparks from a
train. started the fire.

where ^{the} spring was, near the tracks on west side
was a house which also
of present tracks. Turn + go under the
RR tracks on Powell's Creek side.

Spring was on west side of RR tracks /
@ 300 yds. from Powell's Creek.
many Indian relics

Joni Haynes. 1-8-80

"FREESTONE HOUSE"

It was added to.

when Fairfaxes lived there, he
rebuilt added to the chimneys
so as to put f.p. upstairs.

Built by a man named

before Lees moved there

house was much smaller.

Fairfax added to it + changed it.

Ortis said -

the last Fairfax who lived there

was his aunt Wm. Fairfax's wife.

Henry Fairfax -

Club house built there in 1910 or so.
may have been torn down.

- Doc Hampton lived in it, also
lived in the log home ~~on US RT 1.~~
on Powell's Cove.

After Les gave property, broke up
somewhat.

Crane

was boss at
Trash plant at Cherry Hill.

Fellow who was foreman at trash plant
bought in 1910-11 \$20,000
c. 300 acres# (river to highway.)

Crane sold it to a company who
cut all the timber.

Then

Haynes wrote a talk on it to Manassas
P.W. Hist. Comm. c. 1960. or
so.

Track 1872

new track in 1912.

Quakers leased it.

Charles Lee

Roundtop was sold

WRIGHT BROTHERS — in
clock of Court in Dumfries

Wrights lived
here 1st

~~after Wrights~~

Doc Hampton
lived here?

Maddoxes lived there
c100 yds from WRIGHT HOUSE

Powells Creek between Powells +
Neatsco was a log cabin } PROB
which was the 1st house } power line
there in 1930s or 1940. } through

same type of
old farmhouse —
simple — vernacular.

Standing according to Mrs.
Wigglesworth in

Wright house built in 1700s.
about 500 yds too ruin
from highway. on the hill
still some trees there.

power line
through there
exposed it -
may have
been filled in.

Barn + well for Wright house
south of house a good
ways. well

stone-lined well.

Other wells:
also filled up.

Fairfax house well + barn?
good spring there.
well is just west of house
brick-lined well?
Doc Hampton used it.

Freestone House.

" RIVER FRONT WAS POWELLS CRK.

Faced Powells Creek

— Front of house was where road went

part. Barns were all west of that on Lower ground.

Pennsylvania house also did same thing
