Dear Mr. Bear:

This office, under the direction of the Virginia Historic Landmarks Commission, is conducting a comprehensive survey to record the county's buildings and sites having architectural or historical interest. To date, we have completed survey forms on approximately 375 sites or structures in Prince William County. We would like to include your property Fleetwood in this study. Based on information contained in Prince William County histories and previous surveys, Fleetwood has considerable architectural interest.

I would like to arrange to photograph and measure the house for inclusion in the survey. Would you please call me at (703) 573-2210 or write to the Northern Virginia Planning District Commission address so that I can make an appointment to see the house, at your convenience.

Thank you for your consideration.

Sincerely yours,

Frances Jones
