

HAYMARKET HISTORIC DISTRICT

**HAYMARKET DAY AT THE FAIR.** The town of Haymarket was showcased at Haymarket Day at the State Fair of Virginia, Sept. 27. Representing the Small Communities Program of Keep Virginia Beautiful in cooperation with the Virginia Association of Counties, Haymarket presented a display featuring photos and information about its charming shops, churches, offices and restaurants, as well as its history. Haymarket is also proud of its newly-established recycling program. The town is increasing its visibility through promoting its historic attractions and friendly atmosphere. Staffing the exhibit were Haymarket residents, Sarah Turner, left, and Maphie Dunton. Keep Virginia Beautiful's Small Communities Program is sponsored by the Solite Corporation of Richmond.
