Lee descendant speaks

The Dumfries Historical Society will present as its guest speaker Thursday at 8 p.m. Mrs. Eleanor Lee Templeman.

Mrs. Templeman has been very much interested in the preservation of Leesylvania

and a Leesylvania landmark. She will tell about the progress she has made in getting it established as a Bicentennial project.

The program will be of great interest to the area because Leesylvania is part

of our heritage. Mrs. Templeman will also tell us about the Lees of Prince William County. She is a descendant of the Lees of Prince William County and she has a personal stake in that. She is very prominent in the Society of the Lees of Virginia.

Mrs. Templeman has written a number of books on the Lee family and other subjects of great interest to northern Virginia. She will have some of her books for sale there and on display. The meeting will take place in the Dumfries Town Hall. The public is cordially invited to attend.
