\* Orientation Slide Program - A 13-minute orientation slide program is shown in the Visitor Center auditorium on the hour and half-hour. It provides a general introduction to the Civil War and the two battles fought at Manassas. The program is captioned for the benefit of the hearing impaired. The auditorium seats 150.

\* Battle Map Program - This 5-minute audio-visual program outlines the troop movements of the First and Second Battles of Manassas on a large relief map, while modern scenes of the battlefield are shown above on a monitor. The program is shown repeatedly throughout the day in the Map Room, located at the rear of the exhibit area. Capacity is 25-30, with no seating. Closed captioned for the benefit of the hearing impaired.

\* Information/Sales Desk - Park Rangers on duty can provide information on points of interest within the park, as well as answer questions regarding the battles.

\* Henry Hill Walking Tour - A one-mile, self-guided trail visits the important sites associated with the First Battle of Manassas. The trail is marked with signs, audio exhibits, monuments, and cannon. Allow approximately 45 minutes to an hour to complete.

\* Second Battle of Manassas Battlefield - Thirteen months after the First Battle of Manassas, the armies returned to fight a second, much larger battle. Today, a 12-mile, 12-stop driving tour highlights the battlefield. Audio-cassette tapes and printed material are available to supplement the signs and markers along the tour route. Check with the Park Ranger at the information desk to help plan your driving tour.
