Dear Frances:

Thank you for the pictures and slides of Monroe House. I plan to meet with Bob Swisher of the Virginia Historic Landmarks Commission this week to discuss Monroe House and other historic sites within the project area. Mr. Swisher informs me that, based on Dell Upton's field notes, Monroe House may be considered eligible for listing on the National Register.

I will return the photographs to you, as soon as the Landmarks Commission has had an opportunity to review them. Thank you again for your assistance.

Very truly yours,
