Dear Ms. Jones:

I received the copy of your letter to Mr. Randall regarding the Monroe House. In response to your questions, I have enclosed copies of two letters from Mr. Swisher of the Virginia Historic Landmarks Commission to Mr. Hundley of the Virginia Department of Highways and Transportation. Both of these letters address historic sites within the Route 234 Bypass study area including the Monroe House. I believe the enclosed correspondence will answer your questions but, should you have additional questions regarding this matter, please call Mr. Swisher or me.

Very truly yours,

WILBUR SMITH AND ASSOCIATES
