

are removing the iron truss bridge at
Haymarket. Will cut it up +
scrap it.

on Jefferson St. in Haymarket.

5-3. Park Authority needs a pedestrian bridge
across Flat Run. French will pick it up.

5-8. Donald C. Jackson willing to help. Send photos.

5/9. Cummins.
Not real old + there are a whole
lot of them around the state.
are going to remove it.

13 points gets historical significant.

Would be willing to let someone else have it,
for what its worth. Thought noone would
be interested in it.

↳ not to do the work until after July 1, unless it
falls in

How to dismantle it.

Will work with whomever, + try to

said he would get together with French over it
