

Meadow Farm -

2/19/84

Mrs. Drumm, 754-9075,
a co-owner of the property,
says she was told recently
by a black man in his 80's that
there is a slave cemetery on
the property, she knows the
location. She says there
are no markers or fieldstones
there. She is interested in
preserving the house or getting it
surveyed/registered.
