Sally T. Prouty, President and CEO—The Corps Network

Ms. Prouty has 30 years' experience in both the public and private sectors as well as in volunteer non-profit positions at the local, state, national and international levels. She has worked extensively in health care, as a Registered Nurse and as an administrator, supervisor, and teacher.

Immediately before her appointment at The Corps Network in 2002, Ms. Prouty served four years as Deputy Director, Ohio Department of Natural Resources (ODNR) and seven years as Director of the Ohio Civilian Conservation Corps (OCCC), a division of ODNR, operating two residential and six non-residential facilities statewide. Under Ms. Prouty's leadership, OCCC enrolled unemployed youth and young adults in a program focused on conservation based service-learning and youth development. In 2002 the Annie E. Casey Foundation recognized OCCC as "one of the premier youth programs in the nation".

Sally is founding co-chair of Voices for National Service and currently co-chairs the national Campaign for Youth. She also serves on the Board of Directors of the National Youth Employment Coalition.
