## MARCHING FROM CAMP ALGER.

### Third Brigade Leads the Retreat from the Stronghold of Typhoid.

WASHINGTON, Aug. 3.—In accordance with an order issued by the War Department last night the regiments of the Second Division at Camp Alger prepared to move to-day. At noon the regiments of the Third Brigade, First Rhode Island, Second Tennessee, and Third Missouri, were on the march in the direction of Manassas, Va. The First Brigade, consisting of the Twenty-second Kansas, Third New York, and One Hundred and Fifty-ninth Indiana, started at 2 o'clock. The Seventy-eighth Illinois and Fourth Missouri were ordered to move an hour later. The division will march nine miles to-day to Burke Station. To-morrow it will march seven miles, arriving near Manassas the third day. The First Division will follow as soon as mule teams can return from Manassas. Meanwhile corps headquarters, the two division hospitals, and the eight regiments of the First Division will remain in their present quarters. They probably will not be moved before Tuesday. While it is agreed that the cause of the removal of the camp was the typhoid epidemic, it is not known whether the neighborhood of Manassas is to be made a permanent camp site or whether the troops finally will go to some other point.

Forty-eight cases of typhoid have been reported since yesterday afternoon. The fourteen well developed cases are: Corporals Crosby, Company D, and Degerberg, Company C, First Rhode Island; Privates Bible of Company D, Brantmyer of Company F, Adams of Company L, Davis, Hogan, and Boltes of Company D, Third Missouri; Horn of Company H, and Volkes of Company K, Fourth Missouri; D. R. Mahoney, Company K, Ninth Massachusetts; Spencer, Company C, and Mullen, Company F, One Hundred and Fifty-ninth Indiana; Ramey, Company B, and Weston, Company H, Second Tennessee; Hays, Company K, Thirty-third Michigan, and Strain, Hospital Corps.

The review of the troops by the President and Secretary of War has been abandoned, unless they can go to Manassas.

Such of the men at Camp Alger as are too ill to be removed with safety on the breaking up of camp will be taken to the General Hospital at Fort Myer, Va., for treatment. Those only slightly sick will accompany the command. The facilities for attending the sick at Fort Myer have been very much enlarged of late, the riding hall now being put to use for housing the sick.
